Is your school taking part?

Calling all mini elves! This year we are bringing Lancashire's best festive fundraising event to your school!

Teachers, do you want to...

Boost wellbeing for pupils and staff?

Bring the school community together?

Help children in need across your community?

Get your pupils more active and have fun?

Mental wellbeing is a normal part of daily life, in the same way as physical health. The benefits that physical exercise, time outdoors, mindfulness and community participation can have on mental wellbeing and happiness shows no limits.

The Mental Elf School's Challenge enables young people to experience the importance of developing resilience and positive mental health through engaging activities and working together to complete a challenge.

How your school can join in.

Join us for the Mental Elf School's Challenge and you could help change the lives of young people in need of mental health support right across Lancashire.

1

Visit our Mental Elf Wellbeing Challenge hub:

www.lancashiremind.org.uk/project/mental-elf-wellbeing-challenge

Set up your school's fundraising page and download the fabulously festive Mental Elf resource and activity toolkit for your classroom.

2

Choose your challenge

Decide with your class which fundraising challenge you would like to do from our list of suggestions or create your own! Don't forget to fill in the details on your fundraising page and share with parents and pupils through our poster and social media templates.

3

Grab your best elf outfits

Whether it's an elf hat, cheery face painting, a head to toe costume or your best festive accessories.

You can complete your Mental Elf fundraiser any time in December! Pick a date and time that works for your school whether it's a dedicated time for the whole school to join together, a PE lesson or a health and wellbeing activity, the choice is yours!

The benefits for your class.

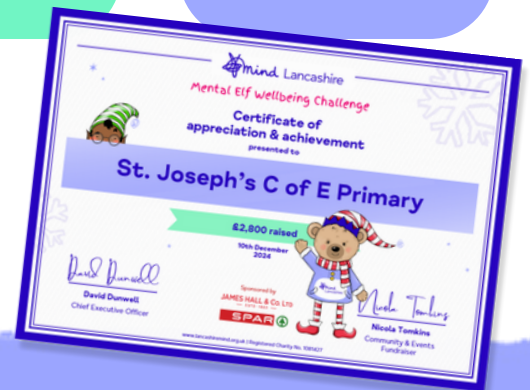

Wellbeing themed resources and activity toolkit, with teacher and pupil instructions.

Introduction video with Sunny Bear and fun support messages from our staff, to play in your class.

Every £10 raised by your school will give you a ticket into our prize draw for an Assembly with Sunny Bear!

Thank you letter for all schools taking part, plus certificate and medal for those raising over £100.

“One in five classroom age children are now experiencing a mental health condition.”

Why is Mental Elf so important?

The funds you raise will help Lancashire Mind to provide life changing support to those living with mental health conditions across Lancashire, through free and accessible services.

Last year Lancashire Mind provided 1:1 wellbeing coaching for over 100 young people aged between 10-18 living with a mental health condition. Our schools team delivered whole class resilience programmes to over 350 pupils helping them to understand their mental health and how to look after it now and in the future.

Free Mental Elf Wellbeing digital toolkit for all schools taking part.

Other ways that Lancashire Mind can help your pupils?

Schools packages

Promoting resilience and self-care

We offer activities that promote resilience building and self-care, equipping children with tools and techniques to manage and overcome challenges and barriers to achieving positive mental health. We recognise that to support children and young people with their wellbeing, school staff need support too so we offer coaching and training for you to invest in your staff.

For details contact:
charlottesutton@lancashiremind.org.uk

In-person coaching

For children and young people

Coaching is future focused and involves collaboration between the coach and young person to reach their goal. There is a strong emphasis on practice of techniques outside of sessions. In-person coaching sessions can be purchased by schools or parents/carers. We also offer a fully funded Virtual Wellbeing Coaching option.
